

Alabama Educational Scholarship Program

AAA Scholarship Foundation (AAA) is a 501 (c)(3) nonprofit organization and state approved School Granting Organization (SGO) that exclusively serves eligible low-income children through the Alabama Educational Scholarship Program, which allows any company that pays Alabama corporate income tax to redirect up to 50 percent of its tax liability to AAA in order to fund K-12 education scholarships for eligible, low-income children. Individuals, including shareholders of S-Corp's can also redirect up to \$50,000 per year to AAA. **It costs you NO extra dollars** – the legislature has made it possible for your company to earmark up to 50 percent of its state corporate income tax liability to fund low-income student scholarships.

Reserving your state tax credit

The process to enroll is very simple.

- 1) Sign onto the Alabama Department of Revenue's online portal for taxpayers – My Alabama Taxes ("MAT").
- 2) Select "SGO Donation" from the menu on the left margin of the page.
- 3) Select "AAA Scholarship Foundation" and enter the amount you would like to redirect. If the program cap has not been met, you will receive a confirmation immediately and AAA will be notified that you have reserved a credit.

You may apply more than once for credits during the year for a maximum of 50 percent of your net state corporate income tax (after the application of any other allowable credits). It's important to remember that the approval process does not oblige you to remit the funds to AAA – it is merely a way for the DOR to ensure that the annual maximum (\$30 million for 2018) in tax credits is not over-subscribed.

Remitting your payment to AAA

AAA will email you an invoice with our remittance information. You will have 30 days from the date of approval by the AL DOR to remit the amount pledged directly to AAA via check, wire or ACH.

The official acknowledgement for your remittance

Once the remittance is received, AAA will promptly return an acknowledgement for each remittance (known as a Certificate of Contribution) to your company. It will list the name of the company remitting the funds, the company's tax ID number, the amount of the remittance and the date of the remittance (please remember that the payment must be made within 30 days from the date of approval by the AL DOR). The company should retain the Certificate of Contribution in order to attach a copy to its state tax return.

Taking the credit on your state income tax return

A company using the "general" or "standard" method of determining its estimated quarterly state tax liability may net its remittance against up to 50 percent of each subsequent net quarterly tax liability owed during the same year the remittance was paid. When filing its state income tax return, a company should report the remittance on Part J, Schedule BC of Form 20C.

Unused credits can be carried forward for 3 years

If the company determines that it has insufficient tax liability to take the full credit (amount remitted is greater than 50 percent of net tax liability), it may carry forward any unused credit for up to three years.

AAA Scholarship Foundation Inc (AAA Scholarships) is a GuideStar Exchange Platinum Participant

This organization has earned the GuideStar Exchange Seal, demonstrating its commitment to transparency.
