

2019- 2020 Household Income/Financial Resources Table - Florida

AAA considers ALL household members and their income. To figure out your household size, add all the people you live with together, this is your household size. Now add ALL the annual earnings (before tax) for everyone in the household, this is your total annual income. Use these two numbers to look at the income chart below for your household size and income. *Note: Any business losses will be adjusted to zero and therefore the total income will be adjusted accordingly to determine household eligibility.*

Household size	Maximum Household Income for an AAA Scholarship Award	Maximum Household Income for a Family Empowerment Scholarship**
1	\$31,225	\$37,470
2	\$42,275	50,730
3	\$53,325	63,990
4	\$64,375	77,250
Each additional person add:	\$11,050	\$13,260

**The Florida Department of Education administers the Family Empowerment Scholarship (“FES”). If household income is above the maximum for an AAA Scholarship Award but at or below the maximum for FES, your information will be sent to the Florida Department of Education to determine eligibility for FES. In addition to the household income requirement, eligibility for FES requires a Florida student to be entering Kindergarten or, if entering a higher grade, to have been enrolled in a public school during the previous school year.
