

Kindergarten – 12th Grade Scholarships

Florida Private School Scholarships

Applications are available for your child to attend an eligible private school of your choice

Your child may qualify for a scholarship to attend private school if:

1. He/She is entering Kindergarten through 12th grade

AND

2. Your household income is at or below the amount shown on the chart below:

2020- 2021 Household Income/Financial Resources Table - Florida

AAA considers ALL household members and their income. To figure out your household size, add all the people you live with together, this is your household size. Now add ALL the annual earnings (before tax) for everyone in the household, this is your total annual income. Use these two numbers to look at the income chart below for your household size and income. *Note: Any business losses will be adjusted to zero and therefore the total income will be adjusted accordingly to determine household eligibility.*

Household size	Maximum Household Income for an AAA Scholarship Award	Maximum Household Income for a Family Empowerment Scholarship**
1	\$33,176	\$38,280
2	\$44,824	\$51,720
3	\$56,472	\$65,160
4	\$68,120	\$78,600
Each additional person add:	\$11,648	\$13,440

Your child must be accepted by an eligible private school under their normal admissions policy. Students must follow all academic and discipline policies of the individual school. Schools are free to dismiss students who do not comply.

***The Florida Department of Education administers the Family Empowerment Scholarship ("FES"). If household income is above the maximum for an AAA Scholarship Award but at or below the maximum for FES, your information will be sent to the Florida Department of Education to determine Eligibility for FES. In addition to the household income requirement, eligibility for FES requires a Florida student to be entering Kindergarten or, if entering a higher grade, to have been (or have a sibling who was) enrolled in a public school during the previous school year.*
