The Florida Gardiner Scholarship Program was established by the State of Florida to provide educational options to eligible households in order to better meet the individual learning needs of their disabled children. Parents and guardians of eligible Florida children may use the Scholarships to purchase approved education-related goods or services. AAA is an approved administrator of the Florida Gardiner Scholarship Program grant and acts in an agency capacity for its beneficiary students, therefore, no revenues or expenses related to the Program scholarship funds are reported by AAA. Instead, the Program fund balance is reported as both an asset and a liability on AAA's Statement of Financial Position. During the current year, AAA distributed approximately \$7.2 million of the

Part I, Line 2 - Procedures for Monitoring the Use of Grant Funds

Individuals:

In order to prove their eligibility, households must complete AAA's application and provide supporting documentation by the stated deadline. The household must meet both the state and AAA's requirements in order to be determined eligible.

Once processing of an application is complete, a determination letter is mailed to the address on file. Those who are determined eligible will receive a scholarship award letter. Those determined ineligible will receive a denial letter. The use of a scholarship cannot be postponed.

If the household is using the scholarship for eligible expenses related to a private school, they must enroll the student into an eligible private school as soon as they receive a scholarship award letter.

Four times during the school year, AAA sends the school a verification form to ascertain whether the student remains enrolled and is current on any funds personally owed to the school. If the verification report is returned to AAA by the deadline, AAA then disburses one quarter of the scholarship award in the form of a check mailed directly to the school. The parent/guardian must restrictively endorse the check over to the school before it can be deposited.

If the scholarship is being used for education-related expenses for a student who is disabled and being home-schooled, the parent/guardian must submit a written request for payment (including supporting documents) for approval before a scholarship payment is disbursed.

Form 990 - Organization's Mission

The AAA Scholarship Foundation, Inc. ("AAA") is a Georgia not-for-profit organization incorporated March 26, 2010 with the mission of providing economic and other assistance to low-income families and families of children with disabilities to enable them to select the best schools for their children.

We do this by administering various legislatively-authorized K-12 scholarship programs that help ensure economically-disadvantaged families and families of children with disabilities have equal access to the customized learning options they need to effectively educate their children.

During the 2019-20 fiscal year, AAA was an approved Scholarship Organization (SO) in Georgia, Arizona, Florida, and Nevada. As an SO, AAA may receive re-directed state taxes from individual and corporate taxpayers. These re-directed funds are then distributed to eligible students in the form of scholarships (up to grade 12) so they may access the educational environments that best fit their learning needs.

AAA understands that families fighting generational poverty see education as the surest means to upward mobility. AAA scholarships help support the individual efforts of these families by removing many of the financial barriers these parents face as they seek the best educational settings for their children.
