Applying for an AAA Scholarship

What is the best way to apply?

Our applications are available on our website at www.aaascholarships.org/parents/arizona/. They can be completed online or downloaded, printed, and mailed per the instructions on the application. *Only one application is required per household.*

Please fill out the application completely and submit **ALL** required documents with your application. Keep a copy of the completed application for your records. Only submit copies of required documents as submitted originals will not be returned to you.

NOTE: You must provide an email address that you **regularly check**, as email is our preferred method of contacting you with any questions we might have regarding your scholarship status. Please answer all questions on the form.

What are the application deadlines?

Except for those applicants with application processing priority (see page 3 "How do you determine scholarship awards?"), our application deadlines are flexible. Scholarships continue to be awarded until donated funds are exhausted. *Please check the AAA website regularly for the current scholarship application deadlines.*

When are applications available?

Typically, applications become available for the upcoming school year during the 1st or 2nd week in March. Check our website for updates on application availability: www.aaascholarships.org/parents/arizona/

Are students who are currently homeschooled eligible for STO scholarships?

No, they cannot receive an award unless they are entering Kindergarten and enrolling in a qualifying private school.

I don't live in Arizona. Can I still apply for scholarships?

Unfortunately, no. These scholarships are designated for Arizona residents who attend an Arizona private school. However, AAA does offer scholarships in other states. Please check our website at www.aaascholarships.org/ to see if your state is listed.

How will I know the status of my application(s)?

You can check your application's status by visiting our website: www.aaascholarships.org/parents/arizona/ and clicking on the "Check the Status of Your Application" link.

My application is on hold. Now what?

You will be notified that your application is on-hold via email. That email will include the reason your application is on-hold and how to respond. Please contact us if you have any questions about the email or the application process.

How will I be notified if my child is awarded a scholarship?

You will be notified of your child's scholarship determination by AAA via US Postal Mail, with the letter mailed to the address that was listed on the application. If your mailing address changes, you must notify AAA.

Where can I submit my documents?

Supporting documents for applications can be uploaded directly into the online application. In addition, they can be scanned and emailed to azdocs@aaascholarships.org or mailed directly to: AAA Scholarship Foundation, P.O. Box 15719, Tampa, FL 33684-0719

How often do I need to apply for a scholarship?

AAA scholarships are awarded for at least 3 years, pending that the applicant is not placed on a Waitlist, and may be renewed by submitting a new application once that period is completed.

NOTE: Households that document eligibility but are placed on a Waitlist do not have a scholarship unless they receive a Scholarship Award Letter and SCF at a later date. Students who meet current eligibility criteria and are currently approved but are placed on a Waitlist due to lack of funding who meet the current eligibility criteria and meet all deadlines for waitlist priority. Funding is not guaranteed.

Is there a cost to apply?

Thanks to our gracious donors, there is no application fee for the 2021-22 application.

How do you determine scholarship award order?

Scholarships are awarded to eligible students in the following order 1) renewal students, 2) siblings of renewal students, 3) waitlisted students, 4) transfer students, and 5) new students. Priority applicants (#1, 2, & 3) must meet the stated deadlines on the letter accompanying their mailed application to retain their priority status. If the deadline is missed, their application will be processed with the non-priority applicants on a first completed, first awarded basis.

Eligible Schools and Scholarship Disbursements

What schools are eligible to accept your scholarship?

An AAA scholarship may be used for tuition only at a qualified school.

A qualified school:

- is a preschool that offers services to students with disabilities; **OR**
- is a non-governmental primary, a secondary, or private school that is located in Arizona and does not discriminate based on race, color, disability, familial status, or national origin; **AND**
- requires that all teaching staff and personnel that have unsupervised contact with students are fingerprinted; **AND**
- is not a charter school or any program operated by a charter school or a virtual school

What does a school need to do to become a qualified school and accept your scholarship?

In addition completing and submitting a **School Conditions of Eligibility** Form, a school must confirm that they meet all of the state's requirements to be a qualified school (listed above) when they sign an eligible AAA scholarship student's School Commitment Form (SCF).

NOTE: Each time a school representative, as well as the Parent A/guardian, signs the SCF, they agree they have read the [Parent and School Handbook](#).

Can an AAA scholarship student receive funds from more than one STO?

If a student accepts a AAA scholarship, they may not also accept an award from another STO for the same period. Also, if you are approved to receive ESA money from the state, you cannot accept a scholarship from AAA. You can only accept one or the other.

When are scholarship payments distributed to schools?

Scholarship checks are mailed to the school 4 times per year. Parents are responsible for restrictively endorsing the check over to the school before the school can deposit it. Scholarship checks may not leave the school property.

What happens if my child receives an award but transfers to another school?

If your child transfers to another private school, that's okay! Please bring a copy of the blank School Commitment Form (SCF) that you received from AAA with your award letter to the new school, have them complete it, and email it to the address at the bottom of the SCF. For Arizona, the completed SCF should be emailed to Lupe@aaascholarships.org.
