## **School Conditions of Eligibility:**

**ALL** statements must be checked in the “**YES**” column to qualify and accept AAA students. If you answer “**NO**” to any questions, please contact our office before submitting this form or any School Commitment Forms (SCF) for students.

### **YES or NO**

- I certify that our school will not accept funding from a state voucher or other Tax Credit Scholarship Program for any AAA students.
- I certify that all AAA students attend our school full-time and do not participate in a home-school (parent provided instruction) program.
- I certify that our school meets the requirements prescribed by Arizona state law, which includes academic instructional hours. See page 8 in the Parent & School handbook: [www.aaascholarships.org/schools/arizona/](http://www.aaascholarships.org/schools/arizona/)
- I understand that I must submit a Student Withdrawal Form (SWF) to AAA within **5 business days** of the student's last day.
- I certify that: 1) our school is a nongovernmental primary or secondary school that is located in Arizona, 2) our school does not discriminate based on race, color, disability, familial status, or national origin, and 3) all teaching staff and personnel who have unsupervised contact with students are fingerprinted.
- I certify that our school's will submit a copy of its **Published Fee Schedule** for the school year 2022-2023 to AAA before any School Commitment Forms will be accepted.
- I certify that our school agrees to abide by all AAA scholarship administration policies and procedures as stated in the online **Parent and School Handbook**, available at [www.aaascholarships.org/parents/arizona/](http://www.aaascholarships.org/parents/arizona/).

*✓ I acknowledge that payments by AAA are strictly contingent upon the school and family meeting and maintaining the above conditions of eligibility, upon the family remaining current on all fees and additional tuition payments, and the student meeting attendance requirements (no more than **18 days** absence per school year). I agree to monitor this situation and report to AAA if there is a default in the parent's portion of their required payments for this student or if anything occurs that would disqualify the family from continuing to participate in the AAA Scholarship Program. I agree to provide access to such documentation, if any, for audit purposes, by AAA or its representatives. Finally, I certify the above information is correct and agree to the terms outlined in this form.*
