# **Independent Auditor's Report**

The Board of Directors AAA Scholarship Foundation, Inc. and Subsidiary Tampa, Florida

### **Opinion**

Certified Public Accountants

We have audited the consolidated financial statements of AAA Scholarship Foundation, Inc. and Subsidiary (collectively "AAA"), a non-profit organization, which comprise the consolidated statements of financial position as of June 30, 2022 and 2021, the related statements of activities, functional expenses and cash flows for the years then ended, and the related notes to the consolidated financial statements.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the consolidated financial position of AAA Scholarship Foundation, Inc. and Subsidiary as of June 30, 2022 and 2021, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

## **Basis for Opinion**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States (*Government Auditing Standards*). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are required to be independent of AAA and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

# Responsibilities of Management for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about AAA's ability to continue as a going concern within one year after the date that the consolidated financial statements are available to be issued.

## Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and Government Auditing Standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with GAAS and Government Auditing Standards, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- obtain an understanding of internal control relevant to the audit in order to design audit
  procedures that are appropriate in the circumstances, but not for the purpose of expressing an
  opinion on the effectiveness of the AAA's internal control. Accordingly, no such opinion is
  expressed.
- evaluate the appropriateness of accounting policies used and the reasonableness of significant
  accounting estimates made by management, as well as evaluate the overall presentation of the
  consolidated financial statements.
- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about AAA's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### Other Reporting Required by Government Auditing Standards

In accordance with Government Auditing Standards, we have also issued our report dated October 28, 2022, on our consideration of AAA's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of AAA's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards in considering AAA's internal control over financial reporting and compliance.

# I. Description of Organization

AAA Scholarship Foundation, Inc. ("AAA") is a Georgia not-for-profit organization which incorporated March 26, 2010. AAA's charitable mission is: 1) promoting relief to the poor and underprivileged and 2) promoting the advancement of education.

AAA works to ensure families can afford to access the customized K-12 learning options they need to effectively educate their children. AAA believes that educational choice programs spur improvements by equipping parents with the resources to seek the best education for their children. AAA's primary focus is in providing educational scholarships (up to grade 12) to children from low-income and working-class families and to children with disabilities.

AAA Scholarship Foundation - FL, LLC ("AAA-FL") is a wholly-owned subsidiary of AAA that commenced operation in December 2013.

AAA is an approved Scholarship Organization ("SO") in Georgia, Arizona, and Nevada. AAA-FL is an approved SO in Florida. As a SO, AAA and AAA-FL (together, referred to as "AAA") may receive redirected taxes from taxpayers, which are then distributed to qualified students in the form of scholarships so they may attend the qualified private school of their parent's choice. Below are tables summarizing the five state tax credit programs administered by AAA during the twelve months ended June 30, 2022:

AAA is also an approved administrator of Florida's two Education Savings Accounts: I) Family Empowerment Scholarship for Educational Options ("FES-EO") formerly known as the Family Empowerment Scholarship, and 2) Family Empowerment Scholarship for Students with Unique Abilities ("FES-UA") formerly known as the Gardiner Scholarship Program and the Florida Personal Learning Account or PLSA.

FES-EO was established in 2019 to provide an educational lifeline to students waiting for an opportunity to find the school that will best work for them and puts more parents in the driver's seat to determine the best educational environments for their children. FES-EO was administered by the Florida Department of Education prior to the 2021-2022 school year. FES-EO is funded through the Florida Education Finance Program.

FES-UA was established in 2014 to provide parents the option to better meet the individual needs of their disabled children. Parents of eligible Florida children may use the accounts to purchase approved education related goods or services. Beginning in the 2021-2022 school year, FES-UA is funded through the Florida Education Finance Program. Prior to July 1, 2021, it was funded by a grant from the FL DOE.

# 2. Summary of Significant Accounting Policies Accounts Receivable

Accounts receivable consists primarily of pledges receivable. Pledges receivable represent unconditional promises to give and are recorded as receivable and revenue at fair value when received. Management evaluates the collectability of its pledges receivable and records an allowance for estimated uncollectible amounts, if necessary.

Notes to Consolidated Financial Statements (Continued) June 30, 2022 and 2021

# 2. Summary of Significant Accounting Policies (Continued) Advertising Costs

Advertising costs are expensed as incurred. The amount charged for advertising expense for the twelve months ended June 30, 2022 and 2021 was \$2,325 and \$63,612, respectively.

#### **Basis of Presentation**

The consolidated financial statements of AAA have been prepared on the accrual basis of accounting in accordance with U.S. generally accepted accounting principles. AAA is required to report information regarding its financial position and activities according to two classes of net assets:

Net assets without donor restrictions - Net assets that are not subject to donor-imposed stipulations.

Net assets with donor restrictions - Net assets subject to donor-imposed stipulations that may or will be met either by actions of AAA and/or the passage of time. When a restriction is met or expires, net assets with donor restrictions are reclassified to net assets without restrictions and reported in the consolidated statement of activities as net assets released from restrictions.

## **Cash and Cash Equivalents**

AAA considers currency held in demand deposits with financial institutions to be cash and cash equivalents. AAA maintains its cash accounts at a commercial institution. Deposits on account at commercial banks are insured by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000 per account. At June 30, 2022 and 2021, cash on deposit at a commercial bank exceeded the \$250,000 FDIC limit by \$64,030,171 and \$46,796,878, respectively.

#### **Change in Accounting Principles**

AAA implemented the Financial Accounting Standards Board (FASB) ASU. 2019-04 as of July 1, 2020. The new standard exempts entities other than public business entities from fair value disclosure requirements for financial instruments not measured at fair value on the statement of financial position.

The FASB has issued certain new or modifications to, or interpretations of, existing accounting guidance in addition to the ASU described above. AAA has considered the new pronouncements and does not believe that any other new or modified guidance will have a material impact on its reported financial position or activities in the near term.

#### **Contributions**

Contributions received are recorded as net assets with or without donor restrictions depending on the existence and/or nature of any donor imposed stipulations.

Contributions of donated noncash assets are recorded at fair value in the period received. Contributions of donated services that create or enhance nonfinancial assets or that require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation, are recorded at their fair values in the period received. AAA recognized \$0 and \$0 of donated services during the twelve months ended June 30, 2022 and 2021, respectively.

Notes to Consolidated Financial Statements (Continued) June 30, 2022 and 2021

# 2. Summary of Significant Accounting Policies (Continued) Estimates

The presentation of consolidated financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates and assumptions.

#### Fair Value

ASC 820 defines fair value, establishes a framework for measuring fair value and establishes a fair value hierarchy which prioritizes the inputs to valuation techniques. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. A fair value measurement assumes that the transaction to sell the asset or transfer the liability occurs in the principal market for the asset or liability or, in the absence of a principal market, the most advantageous market. Valuation techniques that are consistent with the market, income or cost approach, as specified by ASC 820, are used to measure fair value.

The fair value hierarchy prioritizes the inputs to valuation techniques used to measure fair value into three broad levels:

Level I inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities AAA has the ability to access.

Level 2 inputs are inputs (other than quoted prices included within level 1) that are observable for the asset or liability, either directly or indirectly.

Level 3 are unobservable inputs for the asset or liability and rely on management's own assumptions about the assumptions that market participants would use in pricing the asset or liability. (The unobservable inputs would be developed based on the best information available in the circumstances and may include AAA's own data).

## **Functional Allocation of Expenses**

The costs of providing the various programs and other activities have been summarized on a functional basis in the consolidated statements of activities. Accordingly, certain costs have been allocated among the programs and supporting services benefitted.

#### **Funds Held for Others**

Funds administered for students participating in the Family Empowerment Scholarship Programs are recorded to scholarships payable and cash or other financial assets in order to reflect the agency-type nature of the program under ASC 958. As parents/guardians use the funds in accordance with State of Florida guidelines, the corresponding asset and liability accounts are reduced accordingly.

#### **Income Taxes**

AAA is exempt from Federal and state income taxes under Section 501(c)(3) of the Internal Revenue Code and is annually required to file a Return of Organization Exempt from Income Tax (Form 990) with the IRS. In addition, AAA is subject to income tax on net income that is derived from business activities that are unrelated to its exempt purposes. AAA has determined that it is not subject to unrelated business income tax and has not filed an Exempt Organization Business Income Tax Return (Form 990-T) with the IRS. The tax years from 2017 through 2022 remain subject to examination by the Internal Revenue Service.

Notes to Consolidated Financial Statements (Continued) June 30, 2022 and 2021

# 2. Summary of Significant Accounting Policies (Continued) Investments

AAA invests cash in excess of its immediate needs in Prime and Treasury money market funds, Fixed Income mutual funds and U.S. government securities, corporate bonds, municipal bonds, asset backed securities and sweep bank deposits. Investments are reported at fair value, with the related gains and losses recorded in the consolidated statement of activities, unless they are classified as held to maturity and reported at amortized cost.

# **Principles of Consolidation**

The consolidated financial statements include the accounts of AAA Scholarship Foundation, Inc. and its wholly-owned subsidiary, AAA Scholarship Foundation-FL, LLC. All significant intercompany transactions have been eliminated in consolidation.

# **Property and Equipment**

AAA records property and equipment additions over \$2,500 at cost, or if donated, at fair value on the date of donation. Depreciation and amortization are computed using the straight-line method over the estimated useful lives of the assets ranging from 3 to 30 years, or in the case of capitalized leased assets or leasehold improvements, the lesser of the useful life of the asset or the lease term. When assets are sold or otherwise disposed of, the cost and related depreciation or amortization are removed from the accounts, and any resulting gain or loss is included in the consolidated statements of activities. Costs of maintenance and repairs that do not improve or extend the useful lives of the respective assets are expensed currently.

AAA reviews the carrying values of property and equipment for impairment whenever events or circumstances indicate that the carrying value of an asset may not be recoverable from the estimated future cash flows expected to result from its use and eventual disposition. When considered impaired, an impairment loss is recognized to the extent carrying value exceeds the fair value of the asset. There were no indicators of asset impairment during the twelve months ended June 30, 2022 and 2021.

### 3. Liquidity and Financial Asset Availability

AAA regularly monitors liquidity required to meet its operating needs and other contractual commitments, while also striving to maximize the investment of its available funds. AAA has various sources of liquidity at its disposal, including cash and cash equivalents, short-term investments, and a bank line of credit of \$500,000 to help manage unanticipated liquidity needs.

For purposes of analyzing resources available to meet general expenditures over a 12-month period, AAA considers all expenditures related to its ongoing program activities, as well as the services undertaken to fund and support those activities, to be general expenditures.

In addition to financial assets available to meet general expenditures over the next 12 months, AAA operates with a balanced budget and anticipates collecting sufficient revenue to cover general expenditures not covered by donor-restricted resources.

When practicable, AAA invests cash in excess of daily requirements in short-term investments. Effective July I, 2016, AAA's governing board designated unrestricted interest and investment income earned on tax credit contributions to be used for any reasonable and appropriate purpose as determined by the President and approved by the board. Prior to that date, unrestricted earnings on tax credit contributions were designated for funding additional scholarships only. Although AAA does not intend to spend these board-designated funds on any general expenditures other than scholarships; if needed, these funds would become available with board approval.

At June 30, all pledges receivable are expected to be collected during the next year. Management has determined that the pledges receivable are fully collectible; therefore, no allowance for uncollectible pledges is considered necessary at June 30, 2022 and 2021.

#### 6. Investments

AAA determines the appropriate classification of its investments in debt and equity securities at the time of purchase and reevaluates such determinations at each consolidated statement of financial position date. Securities are classified as held to maturity when the holder has the positive intent and ability to hold the securities to maturity. Held-to-maturity securities are recorded as either short or long-term on the amortized cost. Trading securities are bought and held principally for the purpose of selling them in the near term. Trading securities are stated at fair value on the consolidated statement of financial position, with unrealized gains and losses reported as investment returns.

Depreciation and amortization expense was \$16,191 and \$23,055 for the twelve months ended June 30, 2022 and 2021, respectively.

#### 8. Debt

AAA has established an open-ended \$500,000 line of credit with a commercial bank. Interest on draws is charged at a variable rate and therefore is subject to increases or decreases without prior notice. The rate is equal to the Prime Rate plus 2.25% per annum. As of June 30, 2022 and 2021, AAA had no outstanding balance.

AAA had one note payable for software development for \$0 and \$51,994 as of June 30, 2022 and 2021, respectively, financed directly with the vendor. The nominal interest rate is 4.75% compounded monthly. Payments were \$20,000 per month through 5/31/2021 and then reduced to \$4,840 for the remainder of the loan period from 6/30/2021 through 5/31/2022.

Note payable at June 30 is comprised as follows:

|                         |     | 2022 |        | <b>2021</b> |
|-------------------------|-----|------|--------|-------------|

| Less Current Maturities |     | -    |        | (51,994)    |
| Note Payable, Long Term | \$_ | -    | \$     | -           |

2022

Interest expense year to date as of June 30, 2022 and 2021 was \$1,243 and \$3,970.

# 9. Leases

On July 1, 2019, AAA adopted ASC 842, Leases ("Topic 842") using the modified retrospective transition method. Topic 842 requires the recognition of lease assets and liabilities for operating and finance leases. Beginning on July 1, 2019, AAA's consolidated financial statements are presented in accordance with the revised policies.

Management elected to utilize the practical expedients permitted under the transition guidance within Topic 842, which allowed AAA to carry forward prior conclusions about lease identification, classification and initial direct costs for leases entered prior to adoption of Topic 842. Additionally, management elected not to separate lease and non-lease components for all of AAA's leases. For leases with a term of 12 months or less, management elected the short-term lease exemption, which allowed AAA to not recognize right-of-use assets ("ROU") or lease liabilities for qualifying leases existing at transition and new leases AAA may enter into in the future.

# 10. Scholarships Awarded and Payable

AAA scholarships are awarded to qualified students for multi-year periods in Arizona and for a one-year period in Georgia, Florida and Nevada. To qualify for a scholarship, a student and the parents or guardian of that student must meet certain state and AAA requirements and agree to comply with certain other responsibilities.

For multi-year scholarships the parents or guardian must return a completed School Commitment Form by the specified deadline for subsequent years in order to remain eligible.

During the twelve months ended June 30, 2022, AAA recorded the following net scholarship awards/ (forfeits):

Tax Credit Scholarships and Family Empowerment Scholarship for Educational Options disbursements are generally disbursed in four installments each school year after receipt of completed verification reports from the schools. The verification reports limit the risk that a scholarship check might be issued for a student who has withdrawn from an eligible private school or the student's parent or guardian has not complied with their responsibilities under the programs.

Family Empowerment Scholarship for Students with Unique Abilities program disbursements are made pursuant to a request from a student's parent or guardian for an authorized education-related good or service. The disbursements are made electronically and may be made to a private school, a vendor or as a reimbursement to a parent or guardian.

#### 11. Tax Credit Contributions

As an SO in Arizona, Florida, Georgia, and Nevada, AAA is eligible to receive tax credit contributions from taxpayers that owe certain taxes to the state. In return for their contribution to an eligible SO, the state grants a tax credit to the taxpayer.

During the twelve months ended June 30, 2022, AAA recorded the following re-directed taxes as contributions:

| Georgia Private School Tax Credit Scholarship Program       | \$<br>902,500 |
|---|---------------|
| Arizona Low-Income Corporate Tax Credit Scholarship Program | 16,309,000    |
| Arizona Disabled-Displaced Tax Credit Scholarship Program   | -             |
| Florida Tax Credit Scholarship Program                      | 98,769,489    |
| Nevada Educational Choice Scholarship Program               | 11,929,000    |

#### 12. Grants Paid

The Florida Tax Credit Scholarship Program requires that net eligible contributions remaining on September 30th of each year that are in excess of 25 percent of net eligible contributions held on the prior June 30th to be transferred to other eligible nonprofit SFOs to provide scholarships for eligible students.

AAA paid the following grants to an eligible nonprofit SFOs during the 12 months ended June 30, 2022 and 2021, respectively:

|                       | June 30,      | June 30,      |
|-----------------------|---------------|---------------|
|                       | 2022          | 2021          |
| Grants Paid to an SFO | \$ 51,650,000 | \$ 37,908,881 |

#### 13. Agency Transactions

AAA is acting as an agent for Florida's Family Empowerment Scholarship for Students with Unique Abilities (formerly the Florida Gardiner Scholarship) and Family Empowerment Scholarship for Educational Options programs (collectively, the "Family Empowerment Scholarship programs").

Beginning July 1, 2021, the Family Empowerment Scholarship programs are funded through the Florida Education Finance Program. AAA requests funding from the FL DOE once a student is determined eligible for either of the programs. If the student withdraws from the program or is subsequently determined ineligible, the funds are returned to the FL DOE.

#### 15. Major Donor

Contributions from seven major donors accounted for approximately 82 percent of contributions received for the twelve months ended June 30, 2022. Contributions from seven major donors accounted for approximately 77 percent of contributions received for the twelve months ended June 30, 2021.

#### 16. Compliance with State Statutes

As an SO in multiple states, AAA must comply with certain operational and reporting requirements established and adopted into law by each state. Failure to comply with these statutes may result in sanctions that suspend or revoke operations for that program. For the twelve months ending June 30, 2022 and 2021, AAA believes it is in compliance with all material operating and reporting requirements for each applicable state. AAA has complied with all requirements of Chapter 2A of Title 20 of the Official Code of Georgia Annotated, relating to student scholarship organizations, including, but not limited to, scholarship fund management requirements, operational fund management requirements, other financial requirements, student eligibility requirements, school qualification requirements, and other scholarship management requirements.

Notes to Consolidated Financial Statements (Continued) June 30, 2022 and 2021

#### 17. Retirement Plan

AAA participates in a SIMPLE IRA Retirement Plan. This Plan is available for the benefit of all permanent, full-time employees over the age of twenty-one who have completed at least 30 days of service.

In accordance with the Internal Revenue Code and Plan agreement, AAA makes dollar-for-dollar matching contributions of up to 3% of each participating employee's compensation. AAA's contributions, which are included in wages and benefits in the consolidated statements of functional expenses, were \$15,399 and \$17,294 for the twelve months ended June 30, 2022 and 2021, respectively.

# 18. Functionalized Expenses

The consolidated financial statements report certain categories of expenses that are attributed to more than one program or supporting function. Therefore, expenses require allocation on a reasonable basis that is consistently applied. The expenses that are allocated include rent, utilities, facility security and facility repairs and maintenance which are allocated on a square footage basis, as well as salaries and wages, benefits, payroll taxes, professional services, office expenses, interest, insurance, and others, which are allocated on a weighted average of projected student counts.

#### 19. Subsequent Events

AAA has evaluated events and transactions for potential recognition or disclosure through October 28, 2022, which is the date the consolidated financial statements were available to be issued, and none were noted.

# Report on Internal Control over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with Government Auditing Standards

# **Independent Auditor's Report**

The Board of Directors AAA Scholarship Foundation, Inc. and Subsidiary Tampa, Florida

We have audited in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States (*Government Auditing Standards*), the consolidated financial statements of AAA Scholarship Foundation, Inc. and Subsidiary (collectively "AAA"), which comprise the consolidated statement of financial position as of June 30, 2022, and the related consolidated statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the consolidated financial statements, and have issued our report thereon dated October 28, 2022.

### **Report on Internal Control over Financial Reporting**

In planning and performing our audit of the consolidated financial statements, we considered AAA's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the consolidated financial statements, but not for the purpose of expressing an opinion on the effectiveness of AAA's internal control. Accordingly, we do not express an opinion on the effectiveness of AAA's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's consolidated financial statements will not be prevented, or detected and corrected, on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit, we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

## **Report on Compliance and Other Matters**

As part of obtaining reasonable assurance about whether AAA's consolidated financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the consolidated financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

## **Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
