

Florida Tax Credit Scholarship Program – Direct Pay Permit Holder Sales and Use Tax

The Florida Tax Credit Scholarship Program allows any company in Florida that holds a direct pay sales and use tax permit to redirect up to <u>100 percent</u> of its tax liability to AAA in order to fund K-12 education scholarships for eligible children. **It costs you NO extra dollars** – the legislature has made it possible for your company to earmark up to 100 percent of its state corporate income tax liability to fund student scholarships.
