

NEW FEDERAL TAX CREDIT · BEGINS JANUARY 1, 2027

Turn your taxes into a brighter future for a child.

The new **Education Freedom Tax Credit** lets you give up to **\$1,700** to K-12 scholarships — and claim every dollar back on your federal taxes.

\$1,700

back in your pocket — dollar for dollar

It's a **credit, not a deduction**. Every dollar you give comes straight off your federal tax bill. Give \$1,700, save \$1,700.

HOW IT WORKS

- 1 Give.** Make a cash gift of up to \$1,700 to the AAA Scholarship Foundation.
- 2 A child receives.** Your gift becomes a K-12 scholarship for a student in need.
- 3 You get it back.** Claim your federal credit and recover up to \$1,700. Unused credit carries forward up to 5 years.

WHY A CREDIT BEATS A DEDUCTION

\$1,700 charitable deduction ~\$629 saved

\$1,700 Education Freedom Credit \$1,700 saved

Example for a \$1,700 gift. A deduction's value depends on your tax bracket; a credit returns the full amount.
